

A woman with long, wavy blonde hair is shown from the waist up, wearing a beige, form-fitting post-surgical compression garment. She is looking directly at the camera with a neutral expression. The background is a solid, light grey color.

**LEONISA**

**POST-SURGICAL**  
COMPRESSION GARMENTS

---

[WWW.LEONISA.COM](http://WWW.LEONISA.COM)

**“The quality of Leonisa  
products far exceeds that  
of other brands...”**

**- Dr. Elie Levine, MD  
Plastic Surgery & Dermatology  
of NYC, New York, NY**

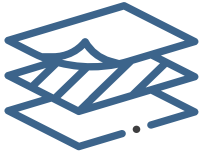

# WHAT MAKES LEONISA SO UNIQUE?

6

Decades' experience in compression garment manufacturing.

Made in-house, in the Americas, with exclusive European machinery.

Breathable, moisture-wicking, fast-drying warp knit fabric.

Zippers and hooks backed by a barrier to protect incisions.

Beautiful designs combine aesthetics and function.

Comfortable enough to wear even after recovery.

# BREAST SURGERY
